India has a large farming community spread over diverse geographical and climatic conditions. For over 7 decades, the company has been selling its products in the domestic markets. We have a 150 strong dealer network in India that helps us reach our products to the farthest corner of the country. Our products have been well respected for many years by the farming community in all parts of India.

In our endeavor to expand our markets, we crossed the India borders and started to export our products in 1987. Today our products are being consumed in over 30 countries world wide. We are continuously adding new Products to our line to meet our growing global customer demands. Our global clientele is a standing testimony to the quality of our products.

**FUNGICIDES**

- **Analogue** 25% EC
- **Atrazine** 75% WP
- **Bisulphonate Ammonium** 15% EC
- **Clarithromycins** 18%, 41%, 48% EC
- **Imidacloprid** 75% WP
- **Mebuzole methyl** 25% WP
- **Oxamyl** 25% & 26% EC
- **Parathionmethyl** 16%, 54% & 56% EC
- **Fenhexamid** 2%, 10% EC, 37% WP
- **Tebuconazole** 2% & 5% EC

**HERBICIDES**

- **Ametryn** 25% EC
- **Atrazine** 75% WP
- **Glufosinate Ammonium** 13.5% SL
- **Glyphosate** 36%, 41% & 48% SL
- **Isoproturon** 75% WP
- **Metsulfuron methyl** 20% WP
- **Oxyfluorfen** 23.5% & 24% EC
- **Pretilachlor** 2% GR, 50% EC, 37% SW
- **Sulfosulfuron** 75% WDG
- **Trifluralin** 48% EC

**PLANT NUTRIENTS**

- **REAP EXTRA** Multi-purpose, multi-crop nutrient with Nitrogen, Calcium, Magnesium & other co-factors.
- **SUGAR PLUS** Unique formulation containing Boron, Molybdenum and other growth activators.
- **SO4 + ZN PLUS** Unique form of liquid Zinc and Sulphur for efficient nutrient absorption helping seed / grain formation.
- **EVERGREEN** Water Acti-Neutralise to reduce moisture loss in plants.

**PUBLIC HEALTH**

- **Acetamiprid** 15% EC & 15% SC
- **Chlorpyrifos** 65%, 69% EC
- **Deltamethrin** 1.8%, 25%, 28%, 11% EC, 2%, 21% EC & 1.5% SIV
- **Fenpropath** 5% SC & 10.5% ML
- **Indacnystan** 20%, 35%, 55% SC, 21% EC
- **Lambdacyhalothrin** 5% EC, 4% CG
- **Teramecas** 25% & 50% EC & 2% GR

**INSECTICIDES**

- **Lindane** 40% EC
- **Endosulfan** 40% WP
- **Cyantraniliprole** 25% EC
- **Imidacloprid** 25% EC
- **Lambda Cyhalothrin** 5% EC & 4.9% CS
- **Temephos** 25% & 50% EC

**FUNGICIDE COMBINATIONS**

- Captan 70% + Hexaconazole 5% WP
- Cyhalothrin 8% + Mancozeb 64% WP
- Hexaconazole 4% + Mancozeb 68% WP
- Mancozeb 60% + Cyhalothrin 25% WP
- Tricyclazole 18% + Mancozeb 62% WP

**ASIA PACIFIC**

- Bangladesh, Malaysia, Myanmar, Pakistan, Taiwan, Vietnam

**MIDDLE EAST**

- Jordan, Kuwait, Lebanon, Oman, Qatar, Saudi Arabia, Yemen

**AFRICA**

- Algeria, Angola, Benin, Botswana, Egypt, Ethiopia, Ghana, Mauritius, Morocco, Mozambique, Nigeria, South Africa, Sudan, Tanzania, Tunisia, Uganda, Zambia, Zimbabwe

**EAST EUROPE**

- Kazakhstan, Kyrgyzstan, Moldova, Ukraine, Uzbekistan

**EUROPE**

- Turkey

**AMERICAS**

- Bolivia, Dominican Republic, Paraguay, Peru

**PUBLIC HEALTH**

- **Alphacypermethrin** 10% EC & 10% SC
- **Chlorpyriphos** 20%, 48% & 50% EC
- **Deltamethrin** 1.8%, 2.5%, 2.8%, 11% EC, 2%, 21% EC & 1.5% SIV
- **Fipronil** 5% SC & 0.05% GEL
- **Imidacloprid** 20%, 30.5%, 35% SC, 21% EC
- **Lambda Cyhalothrin** 5% EC, 4% CG
- **Teramecas** 25% & 50% EC & 2% GR

**HERBICIDES**

- **Metsulfuron methyl** 20% WP
- **Oxyfluorfen** 23.5% & 24% EC
- **Pretilachlor** 2% GR, 50% EC, 37% SW
- **Sulfosulfuron** 75% WDG
- **Trifluralin** 48% EC

**ANISO 9001:2008 Certified Company**
The Scientific Fertiliser Company Private Limited is one of India’s leading Manufacturer and Exporter of Pesticide Formulations for use in Agriculture and public health.

Origin of the company can be traced back to the year 1938, when the company started its business as a small chemical shop in New Delhi. For over 75 years, the company has been committed to serving the world farming community with its quality products.

Today the company offers a wide range of insecticidal formulations, fungicidal formulations, herbicide products and public health products. The company exports its products to over 50 countries worldwide and has maintained a good reputation as a reliable and quality producer. For the years 2001-02, 2003-04, 2005-06 and 2009-10, the company was awarded certificates of reliable and quality producer. For the years 2001-02, 2003-04, 2005-06 and 2009-10, the company was awarded certificates of reliable and quality producer.

The company has fully automated packing lines for filling and packing its products. In addition to this, each facility is well equipped with in-house testing labs and process control equipments to ensure that consistent quality is maintained all across all the factories manufacturing the company.

Being one of the pioneers in pesticides manufacturing, the company has always placed a lot of emphasis on having world class infrastructure to manufacture pesticides formulations using the most modern and Advance Technologies. The Company is continuously upgrading and updating its infrastructure to offer quality pesticides formulations. Right from its inception and all through the years, the company’s main drive has been to provide the best quality products conforming to International standards at reasonable prices.

The company offers a wide range of Insecticides Formulations. Formulations are available as Emulsion Concentrate (EC), Suspension Concentrate (SC), Soluble Liquid (SL), Soluble Powder (SP), Wettable Powder (WP), Water Dispersible Granules, Emulsion in Water (EW), Capsule Suspension (CS) and Micro Emulsions (ME).

All the products are made from its three state-of-the-art plants strategically located in India. The company has been constantly upgrading its infrastructure to offer latest technology and more eco-friendly products. The company together with its agency division is currently serving around 500000000 worth time.

The company has the following facilities:

- 3 state of the art manufacturing locations in India
- Formulations like EC, SC, SL, SE WDG, EW, ME, CS
- Well Equipped Laboratories with latest equipments including HPLC
- Highly qualified staff and technology to ensure quality

We have been accredited with ISO 9001:2008 certification by TUV Germany for all our manufacturing plants. The company is committed to providing quality products to its customers. Every product is subject to stringent quality control norms to ensure that our customers get only the best products. Our customers in India and overseas have appreciated our quality consciousness for the last 75 years.

All our manufacturing locations have an in-house Quality Control department. The department is well equipped with the latest testing equipments and well trained staff.

All the items from our manufacturing plants are subjected to final product inspection and quality control. Every export order is accompanied by our quality certificate. With products selling in over 30 countries, we constantly strive in our efforts to improve the quality of our products by adopting the latest industry best practices.
